

GUS-0225  
21 April 1959

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. [REDACTED] provides for studies and investigations in the field of electromagnetic radiation in connection with Project GUSTO for the period 1 July 1958 to 30 June 1959. Amendment No. 1 to this contract covers work on the Nightlatch Program to the extent of funds available for this purpose.

3. Contract No. [REDACTED] obligated \$200,000 chargeable to Fiscal Year 1959 GUSTO funds. Amendment No. 1 obligates an additional \$50,000 chargeable to Fiscal Year 1959 GUSTO funds. This procurement action is authorized under Paragraph (e) of Program Approval, GUS-0206, dated 8 April 1959. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this Amendment No. 1 to the Contract.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.

5. Concurrence in Amendment No. 1 to Contract [REDACTED] is recommended.
